

## All Through the Night

D            G            Em       A7  
Sleep my child and peace attend thee  
G   A7            D  
All through the night  
D            G        Em       A7  
Guardian angels God will send thee  
G   A7            D  
All through the night

G  
Soft the drowsy hours are creeping  
Em              A6    A     Asus A  
Hill and vale in slumber steeping  
D   G       Em       A7  
I my loving watch am keeping  
G   A7            D  
All through the night

D            G            Em       A7  
While the moon her watch is keeping  
G   A7            D  
All through the night  
D            G        Em       A7  
While the weary world is sleeping  
G   A7            G  
All through the night

G  
O'er thy spirit gently stealing  
Em              A6    A     Asus A  
Visions of delight revealing  
D            G        Em   A7  
Breathes a pure and holy feeling  
G   A7            D  
All through the night
